One of the few homes in Rancho Viejo where you have vast views of the Sandia, Ortiz and Jemez Mountains. Enjoy the colorful sunsets with stunning, southwesterly views as far as the eye can see. Located on a quiet cul-de-sac, this home has a large backyard just waiting for that gardener's touch to this well maintained home. You'll also find the added covered patio to this "Wild Iris" model. It is bright and light with open floor plan making the kitchen part of the living space. On one side you'll find a private suite with large walk in closet and bath / spa and oversize shower. On the other side, two guest bedroom with bath and shower. This property won't last long!
